

DEMO POLICY

A "Demo Unit" of Bishamon products is available for evaluation by our customer under the following conditions. The customer must review and sign below, acknowledging a complete understanding and agreement of these terms.

1. A "Demo Request Form" describing the proposed application of the unit must be completed and submitted to your Stewart Handling Systems Sales Manager for approval.
2. The Demo Unit will be shipped after receipt of a signed copy of this agreement and approved "Demo Request Form". Standard terms and conditions apply.
3. You may evaluate the Demo Unit for a period of fifteen (15) days from the date of receipt. Stewart Handling Systems Sales Manager may only authorize exceptions to this policy.
4. The customer must complete and submit a "Demo Return Evaluation Form"
5. The customer (if returned) will pay both outbound and inbound freight charges. All collect shipments will be refused. Any freight damage incurred will be the responsibility of the customer.
6. Original packaging must be used for return of the product. Care must be taken to repackage the unit as originally shipped by Stewart Handling Systems.
7. All refurbishing costs associated with restoration of product to its original condition will be the sole responsibility of the customer.
